

League Office (213) 368-1616

**League of Women Voters of Los Angeles.** Periodically every institution needs to take stock of it's strengths and weaknesses in light of it's mission and current circumstances. This program will seek to engage all members in evaluating our resources, our goals, and our operating paradigm to as to agree on a plan for developing leadership, membership and funding opportunities, to best fulfill our mission in the future. The committee's goal is to provide considered alternatives to members and the board for attaining a sustainable future for LWVLA as an organization and the way LWVLA implements its mission. The committee anticipates this being a two year program.
