Valley League Invites You

to Meet, Greet, Eat

What's happening in our League 

What do you want to happen 

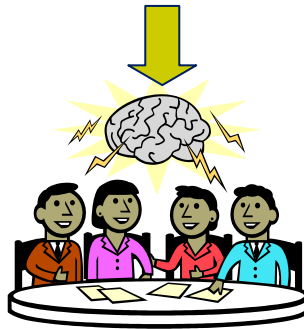

How can we work together to make it happen 

Join Us for Brainstorming Session:

Where are we today?

Where are we going to be tomorrow?

We want to know what you think. We really want your input, ideas, and suggestions.

Let's be exciting, relevant, interesting, stimulating, motivating, awakening, arousing.

Join us to discuss what the current events are, what the opportunities are, and especially what your interests are!
